● ASSOCIATE OF ARTS | 2015

NIOS, SONADA

● BACHELOR OF COMPUTER | 2017

IGOU, SILIGURI

I Was enroll in BCA(Bachelor of computer Application) but could not atten the classes as one of my parents got ill.

While I was taking care of her I started to learn web development from online resources and did some project on my own. After that I got a job as developer showing those projects. So insted of continuing with the degree I like to think that I got a real world BCA when I accepted a dev role.
